

*Michèle Voltaire Marcelin*

*lost and found*

"The seventy-four poems in Michèle Voltaire Marcelin's *lost and found*" are as sensual as they are lyrical, as tender as they are incandescent. Make sure you are sitting down, or better yet lying down, with your beloved and a glass of wine, as you read them. Your heart—and your love life—will never be the same."

EDWIDGE DANTICAT

Author of *Breath, Eyes, Memory*;  
*The Farming of Bones*; *Brother, I'm dying*;  
*The Dew Breaker*.
